Dollars for Scholars is a nationwide scholarship program with a local chapter In Bismarck. It is a scholarship program for graduating high school seniors. During our 25th reunion we raised \$2,000 and we were able to sponsor four \$500.00 scholarships for BHS grads – how cool! Over the years, we have heard from these winners and they are all greatly appreciative!

This year, the goal is much larger! We would like to see if we can raise \$5000.00 so that our class can sponsor one \$500.00 scholarship for the next ten years! We were the first class from BHS who has stepped up for this wonderful opportunity and we were a great success. Now, let's see if we can do it bigger and better and make a difference for many more BHS graduates!

This is our most recent MISSING LIST. If you know where any of these people are, please contact Lauri Reed Eckmann at the contact information below. Thank you very much!
